Cookie, Dgh, Oatmeal Raisin, 3 oz.

Preparation and Additional Information:

Instructions for Preparation and Cooking:

Pre-heat oven to desired temperature.

Otis Commercial Oven: 280 F (138 C) for 21 - 23 min.

Convection Oven: 300 - 325 F (149 - 163 C) for 11 - 14 min.

Residential Oven: 350 - 375 F (177 - 191 C) for 14 - 17 min.

Actual baking time will depend on the dough temperature, number of cookies baked, oven air flow and oven temperature accuracy.

Place cookies on parchment paper. Cookie placement on a standard institutional 18 x 26" baking sheet is as follows: Place up to 15 (3X5) cookies per sheet pan. For smaller pans, place 2.5" apart on the baking sheet.

Cookie should cool for 20 to 30 minutes prior to removing from the parchment paper. Cookies are still baking while cooling on the pan.

Properly baked cookies should have a golden brown color, and should be firm on the outside and have a soft moist interior.

Underbaked cookies will appear pale, slightly grey in the center, greasy, and have a soft pliable texture.

Overbaked cookies will appear medium brown to dark brown in color, and will have a firm to hard texture.

Logistics Information:

Gross Weight: 21 lbs

Case Dimensions: 10 X 12.25 X 11.5

Pallet Count: 90

Cube: 0.815

Block and Tier: 0 and 0
