Turkey, Breast Oven Roasted Skin-On Deli

Preparation and Additional Information:

Instructions for Preparation and Cooking:

Remove product from both bags and place in a shallow pan including natural product juices. Coat product in vegetable oil to help with browning or apply signature seasoning to the product for preferred flavor profile (optional). Cook at 350°F in preheated convection oven until minimum serving temperature of 165°F is reached. Product will turn golden brown (heating times may vary). Remove from oven. Can be served hot or chilled in cooler prior to slicing.
